## Disability Accommodations

MSCC fully recognizes all provisions of the Americans with Disabilities Act of 1991 and Section 504 of the Rehabilitation Act of 1973 and prohibits discrimination based upon disabilities. No otherwise qualified disabled individual, solely by reason of such disability, is excluded from participation in, denied the benefits of, or is subjected to discrimination in, programs sponsored by MSCC.

To ensure timely accommodations, students should complete a Disability Services Request form at least two weeks prior to the start of classes for any semester for which accommodations are needed so that instructors and/or maintenance personnel are able to make the appropriate adjustments. Recent supporting documentation from a qualified professional which identifies the accommodations needed is required. Students receiving accommodations should reconfirm the need for their continuance for each subsequent semester of enrollment by completing and submitting an updated disability services application two weeks prior to the start of classes.

Student and employee complaints related to the denial or neglect of disability accommodations should be addressed to the Vice President for Finance and Administration, who is the College's compliance officer for Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. The Vice President's office is located in the Reynolds Center on the South Campus, telephone (870) 733-6716.

## Email Accounts for Students

Each student enrolled in credit classes is automatically issued an MSCC Campus Cruiser email account upon enrollment to facilitate communication with instructors and other students regarding academic issues and student activities. The College uses email to issue announcements regarding special events, emergency notifications, and safety issues, so it is important for students to check their email frequently. As a courtesy, email accounts are maintained for one year after students' last dates of attendance. Students or prior students who use college email accounts for personal business or for the

dissemination of offensive or harassing materials are in violation of the MSCC Computer and Email Use Policy, and are subject to the College's disciplinary policy and/or legal procedures as appropriate.
