What We Need From You

Through the generosity of community organizations, businesses, and individuals, ASU Mid-South provides numerous scholarships based on talent, academic achievement, and/or financial need. By submitting this application, you will be considered for any scholarships for which you may be qualified.

General Information

Refer to the academic calendar published in the catalog for priority deadline dates. Applications received after the priority deadline will be considered if funds remain available. The ASU Mid-South Scholarship Committee will review only complete applications.

All letters, essays, or other written materials required of applicants must be word processed and meet specific content requirements.

All Foundation awards are contingent upon meeting individual scholarship criteria, including but not limited to GPA, submission of an appropriate written letter of appreciation prior to the deadline, and enrollment in the required minimum credit hours.

Initial awards may be rescinded without any further notification if the student's finalized grades prior to the award term bring the GPA below the scholarship minimum GPA, the student fails to provide the required letter of appreciation prior to the specified deadline, or fails to enroll in the required number of credit hours.

Academic scholarships are automatically renewed for up to 70 attempted credit hours or graduation, if the student maintains the required GPA, has no dropped, failed or incomplete classes and completes the required service hours as determined by the Financial Aid Office. Academic scholarships are limited to U.S. citizens or permanent resident aliens.

All applicants must agree to publicity releases and must attend the Foundation's Annual Scholarship Luncheon if awarded a Foundation scholarship.

Any scholarship, grant, or award that is designated as tuition only will pay first and academic scholarships will only pay any remaining tuition.
