Finals for on-line courses:

- Exam days and times will be announced by the instructor, but will be scheduled during finals week.

Finals for one-credit classes will be taken during the last class meeting.

- College Survival and Career Prep.

All laboratory finals will be scheduled during the last class meeting.

- Biology, Chemistry, Physical Science, and Allied Health (Medical Assisting, Respiratory Care, etc.)

Independent Study classes and classes which do not follow the regular semester calendar (ending before November 30, 2017) will have examinations during the last scheduled class meeting. See your instructor for the short term final exam schedule.

Finals for Saturday classes will be held at the regularly scheduled class period on Saturday, December 9th.
