ASU Mid-South Earns 2021-2022 Military Friendly® School Designation

Arkansas State University Mid-South is proud to announce that it has again earned Military Friendly® School designation.

Institutions earning the Military Friendly® School designation were evaluated using public data sources, input from student veterans, and responses from a proprietary survey. Institutions are graded on: Academic Policies and Compliance; Admissions and Orientation; Culture and Commitment; Financial Aid & Assistance; Graduation & Career; and Military Student Support and Retention. More than 1,200 schools participated in the 2021-2022 survey, with 747 earning the designation.

The 2021- 2022 Military Friendly® Schools list will be published in the May issue of G.I. Jobs magazine and can be found at www.militaryfriendly.com. Methodology, criteria, and weightings were determined by Victory with input from the Military Friendly® Advisory Council of independent leaders in the higher education and military recruitment community.

“We are very proud and honored to once again be designated a Military Friendly School,” said Dr. Debra West, Chancellor, ASU Mid-South. “We are committed to honoring veterans, those currently serving, and their families for their service to our country and for their sacrifices by providing them with the finest education and training opportunities in Crittenden County and the surrounding area.”

“Military Friendly® is committed to transparency and providing consistent data driven standards in our designation process. This creates a competitive atmosphere that encourages colleges to consistently evolve and invest in their programs. Schools who achieve designation show true

commitment and dedication in their efforts. Our standards assist schools by providing a benchmark that promotes positive educational outcomes, resources, and support services that better the educational landscape and provide opportunity for the Military Community.” - Kayla Lopez, National Director of Military Partnerships, Military Friendly®.
