☐ **Congratulations! AAS Degree completed**

*All courses above require prerequisites of DRDG 1034 (Foundations of Reading) and DENG 1064 (Foundations of Writing) or college-level placement.

Students requiring foundational course work based on entrance exam scores may not be able to complete this program of study in 4 semesters. Foundational courses do not count toward total degree hours.

All students must complete ENGL 1113 English Composition I, MATH elective, BUSN 1103 Introduction to Business, and COMP 1113 Computer Fundamentals within the first 30 hours of college-level enrollment.

Acceptance of electives in transfer toward baccalaureate degree requirements at out-of-state institutions is solely at the discretion of the receiving institution. Students planning to transfer elective credit to four-year institutions outside Arkansas should contact the ASU Mid-South Registrar's Office or the Admissions Office of the transfer institution before enrolling in an elective to verify transferability to specific institutions.
