

DUO Multi-Factor Authentication

To register in Arkansas State University DUO please follow the directions below. If you have any problems please complete the form under

Student Portal

DUO Multi-Factor Authentication

1. Login to Canvas or email using the ASU Mid-South Student portal
2. You will be prompted with the following screens
3. Please follow the setup

The screenshot shows a web page for setting up Duo Multi-Factor Authentication. On the left is the ASU logo (Arkansas State University System). Below it are links for "What is this?" and "Need help?", and the text "Secured by Duo". The main heading is "Protect Your Arkansas State University Account". A text box explains that two-factor authentication enhances security by using a secondary device. Below this is a green "Start setup" button.

Secured by Duo

Protect Your Arkansas State University Account

Two-factor authentication enhances the security of your account by using a secondary device to verify your identity. This prevents anyone but you from accessing your account, even if they know your password.

This process will help you set up your account with this added layer of security.

[Start setup](#)

Choose mobile phone

[What is this?](#) [Need help?](#)

Secured by Duo

What type of device are you adding?

- Mobile phone** RECOMMENDED
- Tablet** (iPad, Nexus 7, etc.)

Enter your phone number

United States

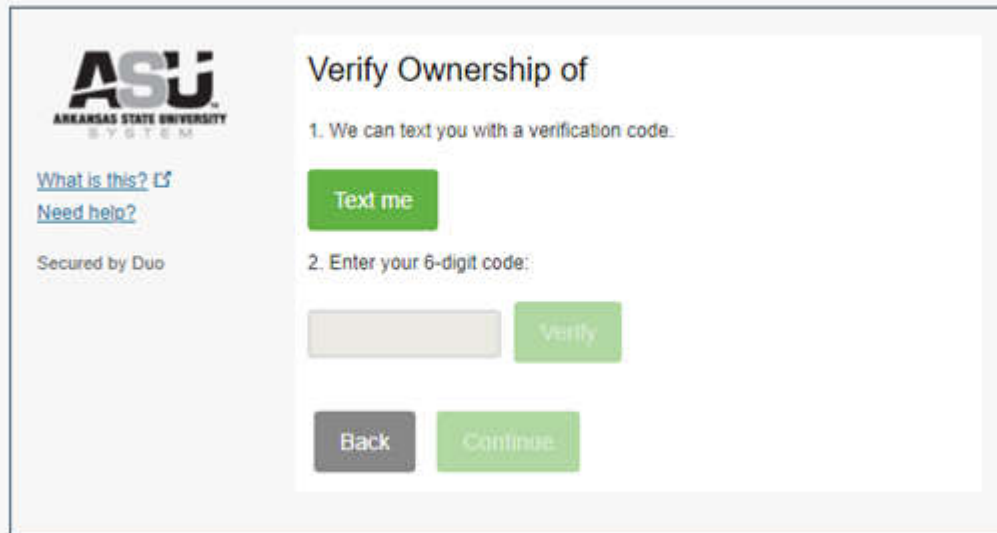

+1 **✗**

Example: (201) 234-5678

Back **Continue**

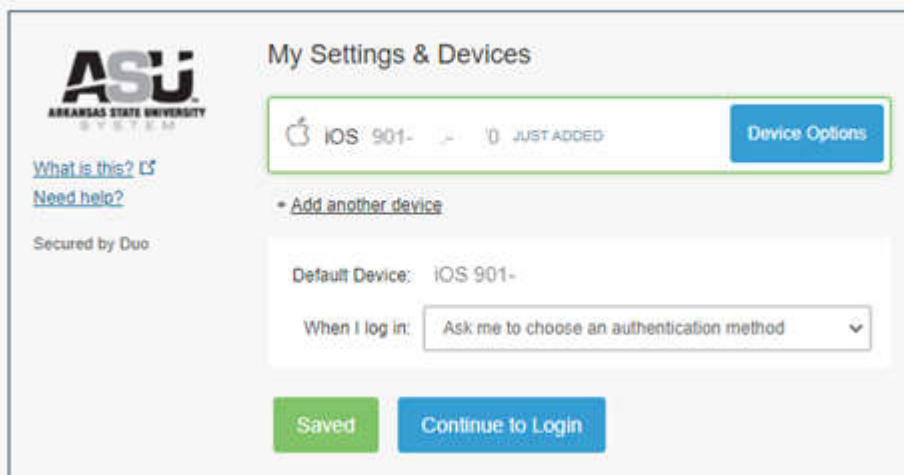

Verify that your telephone number is correct

Click on text me for verification code

The screenshot shows the 'Verify Ownership of' page for the ASU system. On the left, there is the ASU logo and links for 'What is this?' and 'Need help?'. Below these links, it says 'Secured by Duo'. The main content area has a heading 'Verify Ownership of' and two steps: '1. We can text you with a verification code.' with a green 'Text me' button, and '2. Enter your 6-digit code:' with a text input field and a green 'Verify' button. At the bottom, there are 'Back' and 'Continue' buttons.

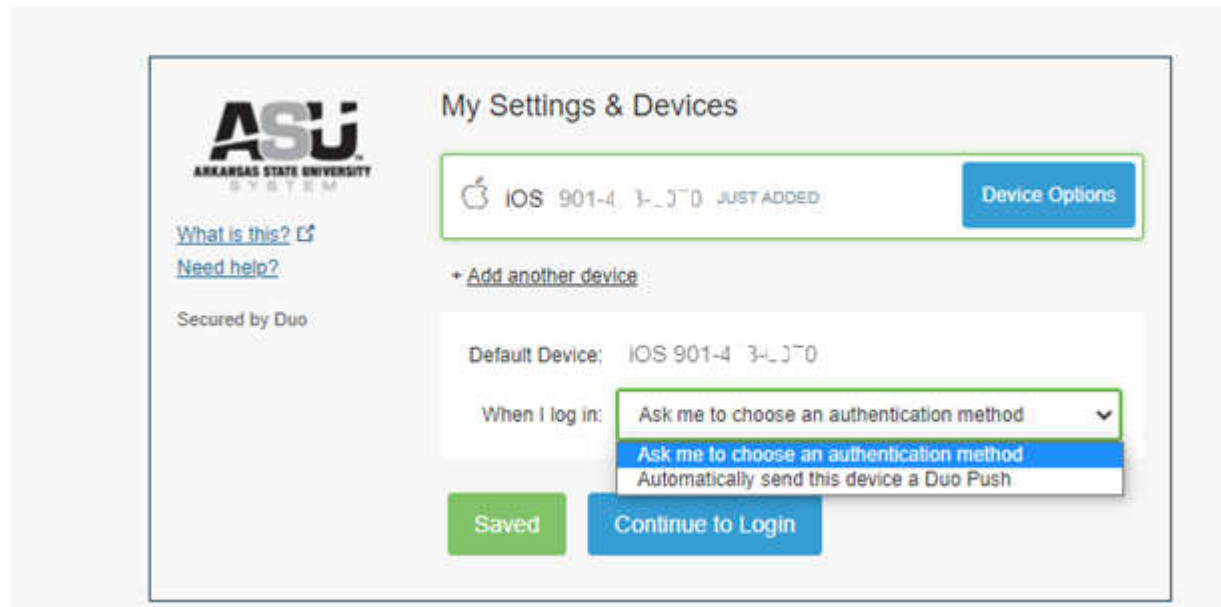

Your telephone number has been verified

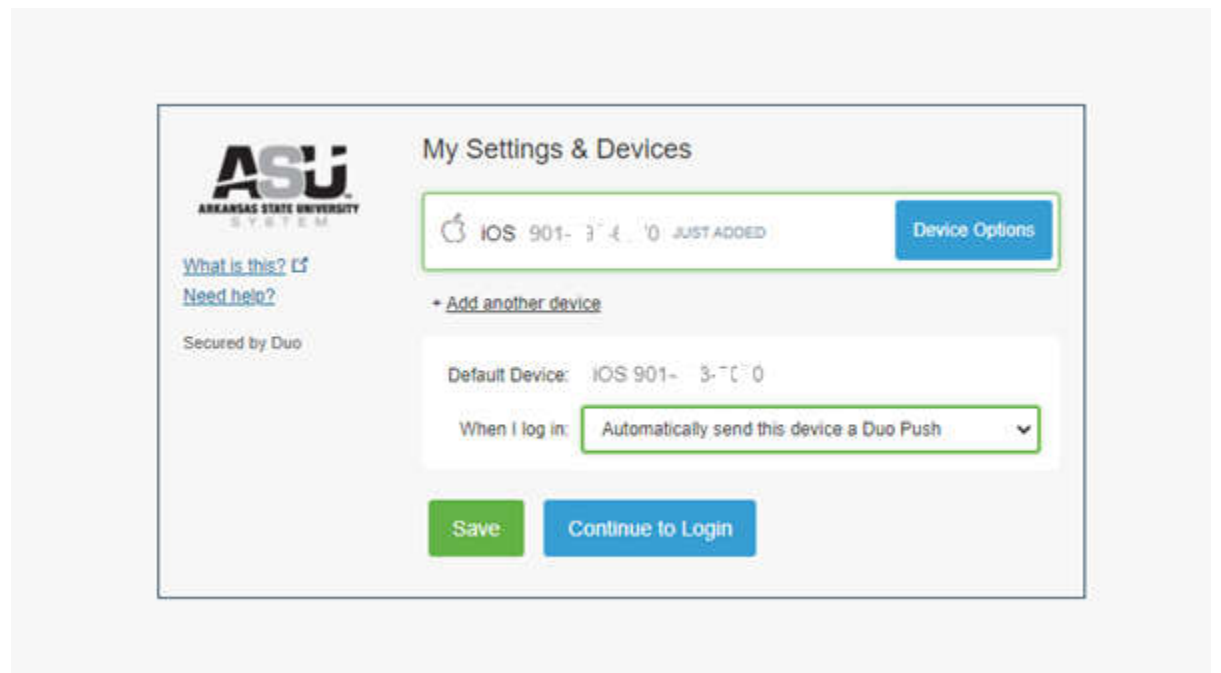

The screenshot shows the 'My Settings & Devices' page for the ASU system. On the left, there is the ASU logo and links for 'What is this?' and 'Need help?'. Below these links, it says 'Secured by Duo'. The main content area has a heading 'My Settings & Devices' and a list of devices. The first device is 'IOS 901-' with a green border and a blue 'Device Options' button. Below this, there is a link for '+ Add another device'. Underneath, there is a 'Default Device:' section with 'IOS 901-' selected. Below that, there is a 'When I log in:' section with a dropdown menu set to 'Ask me to choose an authentication method'. At the bottom, there are 'Saved' and 'Continue to Login' buttons.

Click on drop down “Ask me to choose an authentication method”

Select “Automatically send this device a DUO Push”

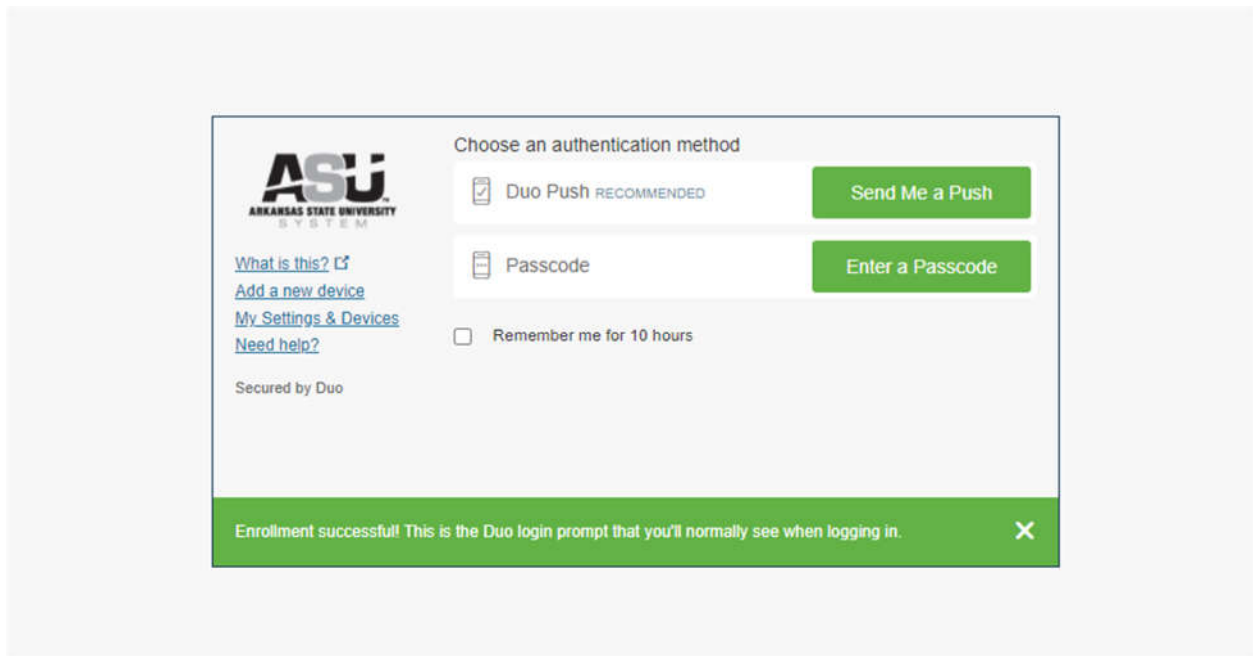

Click Save

When login into Canvas

Click on Send Me a Push

Send any communications regarding DUO to DUOhelpdesk@asumidsouth.edu
