\*If Reading and Writing scores fall into two different categories, students should be placed into Composition I with the most support.

\*\* NOTE: **Real World Math** is the recommended math course for this degree. College Algebra may also be taken to satisfy this requirement.

Acceptance of electives in transfer toward baccalaureate degree requirements at out-of-state institutions is solely at the discretion of the receiving institution. Students planning to transfer elective credit to four-year institutions outside Arkansas should contact the ASU Mid-South Registrar's Office or the Admissions Office of the transfer institution before enrolling in an elective to verify transferability to specific institutions.
