You have been selected for a process called verification. Being selected for verification can happen when a FAFSA is filed or changed in any way. The Financial Aid Office must verify information provided by comparing the FAFSA data submitted by the student with the information on this worksheet and other required documents. If there are differences, the FAFSA data may need to be corrected. The school may ask for additional information. For more information regarding this process, please contact the Financial Aid Office at 870-733-6729.

**This form is used to verify the non-tax filing status of the parent or parents who are unable to provide an [IRS Verification of Non-filing Letter](#).**

☐ Check here if the spouse of a student received social security, SSI, and/or disability benefits during 2023 and provide documentation of the amount(s) received.

**Check box A and/or B, complete and sign, and provide appropriate documentation:**

☐ **A.** Check here if employed during 2023. List all employers and amount earned from each.

## **IRS 'Get Transcript Online' Tool**

The IRS Get Transcript Online tool is available at [www.irs.gov](https://www.irs.gov) under "Get your Tax Record".

**IRS.gov**

**Get Your Tax Record**

### **Requesting Tax Documents online**

The Get Transcript Online tool allows the user to immediately receive an online PDF version of their IRS Tax Return Transcript or, if appropriate, a verification of non-filing. The Get Transcript Online tool uses a new enhanced two-step, multi-factor authentication process that requires the user to register before submitting a transcript request.

To use the new Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). Note that the IRS Get Transcript Online registration process will not result in any charges to the card or to the financial account.

During the new Get Transcript Online registration process, the IRS will send the user a confirmation code via email and an authentication code via text. The IRS email and text will contain a one-time code that the user will use to finalize the Get Transcript Online registration. Note that the IRS will never request log-in information or personal data via email or text.

**IMPORTANT:** The IRS does not accept requests for transcripts at its Taxpayer Assistance Centers.

### **Verification of Non-filing**

Individuals who did not file an IRS tax return for the relevant tax year will, if they successfully register for Get Transcript Online, receive a PDF page indicating that the IRS has no record of a tax return being filed for the requested year. If an attempt is made to get the Verification of Non-Filing, but is unsuccessful, contact the ASUMH Office of Scholarships and Financial Aid for further assistance.
